

semWaitNoBlocc

```
graph LR; A[semWaitNoBlocc] --> B[semOpNoBlocc]; B --> C[ErrExit];
```

A flowchart with three rectangular boxes connected by arrows. The first box, labeled 'semWaitNoBlocc', is shaded gray. An arrow points from it to the second box, labeled 'semOpNoBlocc', which is white. Another arrow points from the second box to the third box, labeled 'ErrExit', which is also white. All boxes have a black border.
